Horgan takes 'Metric'

at Mallow

WILLIE HORGAN (St. Finbarr's) won the second annual Mallow Metric Marathon (sponsored by Adidas) yesterday, finishing the 26.2 kilometers in one hour, 27 mins., 2 secs., and knocking more than 4 minutes off his clubmate, Richie Crowley's time last year.

Horgan ran a cleverly controlled, precision paced race, overtaking former international Padraig

Keane, Clonliffe Harriers), who set a blistering pace for the first four miles and eventually had to retire.

Despite the punishing uphill gradient for half the circuit good temperate weather and a light fresh breeze aided most of the 250 runners to better their times of last year.

Dick Hodgins (Leevale) got a hearty ovation when coming in to take the first

veteran prize. The springling of lady competitors acquitted themselves well, the winner, Catherine Hennessy (Kilkenny) completing the trip in 1 hr. 10 mins., ahead of Dolores Nugent (Galway City Harriers).

Before the start the runners got a welcome from Mallow U.D.C. chairman Mr. Tom Sexton, who later presented a personal cheque to Mallow's first runner home, Pat Kerrigan (hr. 33 mins.) The official starter was Mr. Donal O'Mahony, Mallow.

The prizes were presented by Mr. Pat Curran, Adidas. The Marathon organised jointly by Mallow Junior Chamber and Mallow A.C. repeated the debut success of last year. "We were satisfied with the results", said Junior Chamber President Mr. Frank Nyhan.
